NOTICE OF ALL-PARTY MEETINGS (PU Code § 1701.3(c))**NONE**

NOTICE OF EX PARTE COMMUNICATIONS

Copies of tendered notices are available in the Central Files Office for review and/or reproduction under existing procedures. They are also available from the filing party who is under the obligation to provide copies of the notice without delay.

5/25/06 R06-04-010 Order Instituting Rulemaking to examine the Commission's post-2005 energy efficiency policies, programs, evaluation, measurement and verification, and related issues.

Summary: On May 22, 2006, Tory Weber of Southern California Edison Company (SCE) had a telephone conference call with ALJ Gottstein. Also participating in the conference were Chris Villarreal of the Commission, Michael Messenger of the California Energy Commission, Don Arambula and Larry Cope of SCE, and other participants listed on the attachment to the notice. Written material (attached to the notice) was used. SCE discussed the information the investor owned utilities (IOUs) would provide to any party interested in developing a proposal for energy efficiency shareholder incentives. SCE representatives agreed that information provided in the IOU's most recent compliance filing, with the addition of a 'performance basis' calculated from information available from that filing, would be made available to all parties by May 24, 2006.

5/30/06 A04-02-031 City of Gridley, for authorization to remove the Laurel Street Crossing of the Union Pacific Railroad Company tracks and to construct a new crossing in the City of Gridley, County of Butte, State of California.

Summary: On May 30, 2006, James Squeri, outside counsel for the City of Gridley, met with Lester Wong, advisor to Cmmr. Peevey, in San Francisco. Squeri discussed the draft decision (DD) of ALJ Walker. Squeri discussed three possible outcomes of the proceeding and indicated that Commission endorsement of the DD would likely lead to the least desirable outcome which would involve use of West Liberty as the primary point of ingress/egress for the Gridley Industrial Park.

Summary: On May 30, 2006, Marc Joseph, attorney for the Coalition of California Utility Employees, participated in a meeting with Pres. Peevey in San Francisco. Pres. Peevey participated in the meeting by video conference from Los Angeles. Also present were Nancy Ryan, advisor to Pres. Peevey, and Fong Wan, Brian Cherry and Erik Jacobson of Pacific Gas and Electric Company. Joseph stated that the non-bypassable charge should be the same length as the 30 year depreciation for the new power plant, and that no reason was given in the proposed decision to explain why any some customers should be able to avoid paying any above market costs in year 11 through 30.
